Dear Families:

It is time to once again think about the winter season that is just around the corner. The following are the various means used by SAU 29 for communicating school cancellations and delays due to weather or other health/safety concerns. In the event of a school closure or delay, notifications will take place between **5:00 and 5:30 a.m.** in order to properly notify families before students head off to bus stops.

The following options are available through School Messenger to receive notifications:
