

Take the first step on the road to college.

This spring, don't miss the PSAT™ 10. The PSAT 10 prepares you for the SAT® and is the perfect way to take the next step to college.

Three things the PSAT 10 helps you do to get ready for college:

Access scholarships

The College Board's scholarship partners use the PSAT 10 to help find qualified students. Be sure to say "yes" to Student Search Service® on the day of the test to make it easy for them to find you.

Prep for the SAT® for free

Taking the PSAT 10 is great practice for the SAT and for college. Get familiar with the test format and access free, personalized SAT practice from Khan Academy®.

Connect to AP® courses

Your score report will show AP® courses that are a great match for you. AP can give you an edge in the admission process, and an opportunity to earn college credit while in high school, allowing you to save money, study abroad, or take on a second major.
